

## Policy Prohibiting Discrimination Based on Parental, Family or Marital Status, or Pregnancy or Related Conditions

disseminated to faculty and employees as annually required. Seattle University will educate all new students about this policy and the location of this policy as part of orientation. The Office of Institutional Equity will make educational materials available to all members of the Seattle University community to promote compliance with this policy and familiarity with its procedures.

For violations of this policy, refer to the Policy Prohibiting Sex-Based Harassment, Discrimination and Retaliation.
